**August - September 2017 Fully funded 1500 – 2000 metre drill program underway intersecting graphite in every drill hole to date!**

**Graphite outcropping**

**Ed Lyons, P.Geo discovers Graphite at surface after drill move clears dirt off to expose Graphite outcrop. Mr. Lyons discovered Mason Graphite's soon to be mine, next door.**

**Only the lower left portion of Zone 1 has been drilled to date. Graphite has been drilled in every hole so far. We plan on continuing to drill out Zone 1 and then move to Zone 2 which has not been drilled yet.**

**August 2017 drill hole locations Zone 1 overlaid on Geophysics**

**After intersecting Graphite in every hole drilled to date Berkwood increased its land holding by 5 times and is now one of the largest landholders in the area.**
